

Mike Wagner is Senior Counsel at the Acer Group, the second largest PC company in the world. The Acer Group's PC brands include Acer, Gateway, eMachines, and Packard Bell. Mike's work at the Acer Group over the past ten years has focused primarily on litigation management, with an emphasis on class action and patent litigation matters. Additionally, he is responsible for his department's technical systems, including document management software, matter management software, and eDiscovery tools. In addition to his work at the Acer Group, Mike is currently the Secretary of the San Diego chapter of ACC, and is starting his third year as a member of the ACC San Diego board.
